Rochester

BRANDS HATCH

Our first Training Centre opened in 2016 in **Deptford**, only a year later we opened **Dartford**, followed by **Rochester** in 2019. We are delighted to announce the opening of our new purpose-built, state-of-the-art Training Centre @ **Brands Hatch**! No matter where you are in the **South-East**, we are there!

In **March** we are running a range of courses:

- ✓ Annual Training & Assessment
- ✓ Hybrid & Electric
- ✓ Managers
- ✓ Class 4 & 7
- ✓ Class 1 & 2
- ✓ Demonstration Tests
- ✓ Light Vehicle Inspection

We also offer courses for Class 3 & 5, MOT Upskill & have consultancy packages tailored to your business needs, don't hesitate to give us a call to discuss ANY requirements. We love a challenge!

Weekends & Evenings

Can't get away from the workshop??? We are offering courses at the weekends & evenings. We know it's sometimes difficult to get away from the workshop, so come and join us when its more convenient for you!

Annual Assessment

Now that the MOT extension is over, there is no better time to get your annual assessment completed. This year, DVSA have extended the deadline to the **30 April 2021**, but the pass mark is **80%**! It's been a year of change, so take this opportunity to meet with other testers & catch-up with Leigh!

We are offering a range of packages: assessment only, e-learning packages and our recommended; on-site training course. By completing your training on-site with us, it ensures all the relevant content is covered away from any distractions & ensures that you are fully prepared and confident before taking the assessment.

Already done your training for this year??? Why not book your course for next year? We recommend getting your 2021/2022 annual training done in May, before the busy MOT period starts again.

Demonstration Tests

Take away the stress of having DVSA on your site & book your demonstration test with us at our purpose built Training Centre. Our equipment is state-of-the-art & we have appointments available weekly.

DVSA News

New App

The new MTS App generates a 6-digit code each time you need to access MTS. New users won't have to wait for a card before they can access the service, but once you've setup the app you will no longer be able to use the security card. Click [here](#) for instructions.

Tyre Ban

A reminder that any single wheels of a minibus (9-16 passenger seats) will fail its MOT if the tyres are over 10 years old. These vehicles will also fail if they do not display a legible date code. When testing you will need to check that each tyre displays a date of manufacture or re-treading date on the appropriate vehicle.

We've changed our phone number, so don't forget to update us in your contacts! We look forward to hearing from you!
